This extract was prepared based on the information contained in the Companies Registry database as of 30 Sep, 2026 at 17:50

This company extract constitutes a summary of information derived from the computerized database of the Israeli Corporations Authority and is provided as a public service, based on information received by the Authority. The information contained in this extract may be incomplete, inaccurate, or not up to date, as it does not constitute one of the statutory registers maintained by the Israeli Corporations Authority pursuant to law. For the purpose of verifying the information and filings submitted to the Registrar of Companies as required by law, reference should be made to the company's official file. Instructions and access to the official file can be found at:

https://www.gov.il/he/service/company_online_portfolio

It is emphasized that the information contained in the company file regarding shareholders and directors, as well as additional information, is of a declarative nature only and does not constitute a substitute for inspection of the shareholders register and directors register maintained by the company itself, which are open for public inspection at the company's registered office. In addition, this extract may include summarized information received from state authorities (including, inter alia, the Insolvency and Economic Rehabilitation Authority, the Enforcement and Collection Authority, the court system, and other authorities). Such information is recorded in accordance with the applicable law and is reflected in this extract as a public service. This information may be partial or not up to date, and reliance should not be placed upon it; verification should be made with the relevant competent public or state authority.

Translation and AI-Generated Content To enhance accessibility for international stakeholders, certain fields in this extract have been translated into English using advanced automated or AI-based translation tools (including literal translations or phonetic transliterations), as indicated alongside the relevant fields. These translations are provided for convenience and for general informational purposes only; they are provided on an "as-is" basis and do not constitute an official, certified, or binding translation of the original Hebrew records. The Israeli Corporations Authority encourages users to verify critical information against the Hebrew source.

In the event of any discrepancy between this English extract and the official Hebrew records, the information recorded in Hebrew in the official registers of the Israeli Corporations Authority shall solely prevail.
